Lead Agency: Washington Department of Fish and Wildlife

The lead agency is providing updated information on this project which may be of interest to other agencies or the public. The updated information provided below does not substantially change the analysis of significant impacts in the existing environmental checklist.

The original environmental checklist dated 12/5/99, should be modified to reflect the following changes:
#7 Do you have any plans for future additions, expansions, or further activity related to or connected with this proposal? If yes, explain.

Change "no" to "Proponent plans on restocking if there is fish loss."

Based on the original environmental checklist and the updated information provided in this addendum, the lead agency has determined that a new threshold determination is not warranted. There is no comment period associated with this SEPA environmental checklist addendum.
